Thank you for this. Very useful to my partner WWT who is actively recruiting engineers (multi-vendor, but this goes a long way to ensure Cisco headspace is right on top) :Ajay Malik

This is awesome stuff! :Ben Ng

Quite comprehensive and I see a lot of effort behind it: Manuel Soundararajan

This information is very helpful-Don Hansen

This is awesome! This is the truly one simple guidebook for partner SEs. :In-Sook Kim

This is a very comprehensive deck which is really good for us to share with our partners SE communities. Thank you :Sridarti Herryanto

I'd like to commend you for this excellent on-boarding pack for the partners. It is very comprehensive and well-structured. We have needed this for a long time! :Delene Lee
